

Computers

Recognise common uses of information technology in the home and school environment

I can recognise how I use technology in my home and at school

Using Computer

Use technology purposefully to create digital content

I can use a program to create a simple document

E-Safety

Understand where to go for help and support when he/she has concerns about content or contact on the internet or other online technologies

I know to tell an adult if I see anything worrying online

Coding

Predict the behaviour of simple programs

I can predict the behaviour of a programmed toy

Understand what algorithms are and how they are implemented on digital devices

I can explain that an algorithm is a step by step set of instructions
